PLEASE NOTE:

As of July 1, 2002 the SERC Library bibliographies are typed in accordance with the 5th edition Publication Manual of the American Psychological Association with the only exception being that they are not double-spaced in order to save paper.

Resources included in this bibliography do not indicate approval or endorsement by SERC or the Connecticut State Department of Education. The listings are provided solely as a resource of general information.

Please note citations with a W (Wilson's Education Index), PB (EBSCOHost Psychology and Behavioral Sciences Collection), PD (EBSCOHost Professional Development Collection) and E (EBSCOHost ERIC) after the page listings can be downloaded from the online databases available at the SERC Library. SL after the page listings indicates that the journal article is available in the SERC Library's journal collection.

Please Note: Journals available in the online databases are subject to changes in their availability in these online databases based on decisions by database providers.
